Thanks Kerry, I will work with SLO's on getting the signs posted.

On a different note, I was wondering anyone from BID office was attending the Zoning Administration Hearing for the Cashmere Night Club on Oct 22 at 11:00 AM. It is my understanding that the Zoning Administrator like to hear from the public and BID's on the issues related to the night clubs. I have attached the hearing notice.

Thanks

Gentlemen,

I want thank each and everyone of you for your continued and relentless efforts addressing the problematic nightclubs in Hollywood. Your collaborate efforts are paying dividends. In the next few weeks, Cashmere, The Supper Club and Vaucluse Club are going to hearings which could potentially result in the closure of the clubs. In addition the problematic valet service in front of The Playhouse has already been shutdown. The Hollywood Hookah has been convicted three times of several violations and has pending revocation of permits hearings. All this has occurred because of a team effort between the men and women you supervise. All involved have played a significant role in the process. Please reach out to the men and women of both units and recognize their efforts.

As we have discussed, moving forward it is imperative that HED and VICE units support each other in our efforts to address VICE activity in the HED area. We are making great progress, but there is still work to be done. Please remain vigilant and focused. Our goals are to provide a safe environment, with thriving businesses that follow the laws and provisions of their respective licenses. I look forward to continuing to work together to accomplish this.

Thank you for a job well done.

Hi Miss James,

Due to the upcoming hearing and our department's ongoing investigation of the negligent and unlawful operation of the "Cashmere" establishment, I believe it would enhance our chances of attaining a successful revocation and be in the best interest of both of our respective agencies if we were to conduct a joint inspection of the involved premises at a time when there is a high probability for observing CUP and ABC violations. Our Office is set to perform an inspection of the "Cashmere" premises on Friday evening at approximately 2200-hours (10PM) and would benefit greatly from your participation in the endeavor.

The prospective itinerary is for your staff to meet with the Hollywood Vice team at Hollywood Station at approximately 2130-hours (9:30 PM) on Friday (October 10th) evening. We will make introductions, assign tasks, establish goals and delegate responsibilities in a briefing that is to be held in the Vice Office at Hollywood Station (Address: 1358 N Wilcox Avenue, Los Angeles, CA 90028). Following the initial briefing our groups will travel to the Cashmere location where we will conduct an inspection for CUP and ABC adherence. You and your staff will be escorted through the location by our supervisory staff after Vice Team Officers have made entry and ensured a safe environment for you to negotiate your own inspection of the premises.

If you have any questions or would like to alter anything about this operation, please contact me on my mobile phone and I will make the necessary accommodations. I look forward to working with you and hope you can join our team for this inspection tomorrow evening.

Thanks again,

Hi Miss James,

Due to the upcoming hearing and our department's ongoing investigation of the negligent and unlawful operation of the "Cashmere" establishment, I believe it would enhance our chances of attaining a successful revocation and be in the best interest of both of our respective agencies if we were to conduct a joint inspection of the involved premises at a time when there is a high probability for observing CUP and ABC violations. Good Afternoon Gentlemen,

The purpose of this email is to request approval for a 30-day continuation on the 3.18 investigation I have at the "Cashmere" nightclub located at 6757 Hollywood Blvd. As I'm sure you are aware this location has been a consistent source of problems as far as collateral criminal activity is concerned and is consistently in violation of the conditions of both the governing CUP and ABC Licenses attached to the property. Various different City Agencies are cooperating with our Office to revoke the establishment CUP and the "Cashmere" operators are scheduled to attend a revocation hearing on October 22nd. Despite this upcoming revocation hearing the club operators continue to host prohibited events and operate in violations of the governing licenses and permits. Our Office has received information regarding a Halloween promotion at the premises and plan to involve the fire department in an operation that will hopefully result in a temporary closure of the establishment for overcrowding.

Thanks for the notification. Good luck.

Dear Mr. Rouch,

Since you were the Zoning Administrator who placed conditions upon the Cashmere Club alcohol license on CASE NO. ZA 2012-0090 (CUB)(CUX), I want to find out whether or not the LAPD could waive any of the aforementioned conditions and give consent and permission to the Club owner to violate them. In order not to re-iterate myself I am forwarding the e-mail I just sent to Lt. Dibell hereto.

Please advise accordingly.

Very truly yours, Luminita Roman 1714 N. McCadden Pl. # 1103 Los Angeles, CA 90028 (323) 871-2672

Lt. Dibell,

I was just informed by the attorney for the club owner of Cashmere Club, that tonight, Friday, August 7, 2015, the Cashmere club will be open and will let its patrons in and out of the club through the entrance on Hollywood Blvd., not McCadden Pl. He informed me that the LAPD gave them a special permission to do that tonight.

Therefore, I would like to find out from you personally if that is true or not, as I am extremely reluctant to accept the fact that the Vice division, who is in charge of enforcing the violations of the conditions placed upon Cashmere Club's alcohol license, would willfully and knowingly allow, condone and encourage Cashmere Club to engage in such violation.

Please advise accordingly.

It's useful for situational awareness and as preparation for our recommendation to the Zoning Administrator. Vice will learn of these through other channels, but it's good to compare lists to ensure we don't miss anything.
